OFFICE OF THE ENVIRONMENTAL COMMISSIONER

Mr. Jessy J. K. Nombanza
Mining Claim Holder
P. O. Box 8106
Windhoek, 9000

Dear Sir or Madam,

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR THE PROPOSED SMALL-SCALE DIMENSION MINING ON CLAIMS NO. 70785 ON FARM UTUSIS NO. 75 IN THE KARIBIB DISTRICT, ERONGO REGION

The Environmental Scoping Report and Environmental Management Plan submitted are sufficient as it made provisions of the environmental management concerning the project's activities. From this perspective, regular environmental monitoring and evaluations of environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. In addition, the Environmental clearance certificate is issued with the condition that: all applicable and required permits are obtained and mitigations measures stipulated in the EMP are applied particularly with respect to management of ecological impacts.

On the basis of the above, this letter serves as an Environmental Clearance Certificate for the proposed activity to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with the Mr Jessy Nombanza and their consultant.

This environmental clearance is valid for a period of 3 (three) years; effective from the date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
